Title V of the Departments of Veterans Affairs and Housing and Urban Development and Independent Agencies Appropriations Act of 1988 (P.L. 106-65, 111 Stat. 1384) authorizes the FHA Multifamily Housing Mortgage and Housing Assistance Restructuring Program. HUD implemented a statutory permanent program directed at FHA-insured multifamily projects that have project-based Section 8 contracts with above-market rents. The information collection is used to determine criteria eligibility of FHA-insured multifamily properties for participation in the Mark to Market program and the terms on which participation should occur. The purpose of the program is to preserve low-income rental housing affordability while reducing the long-term costs of Federal rental assistance. While no assurances of confidentiality are pledged to respondents, HUD generally discloses this data only in response to a Freedom of Information request.
